

FIRST-YEAR ACADEMIC PLAN

Students can use this academic plan to schedule their classes but should follow up with their major adviser to ensure they are on track for graduation.

Visit your Academic Advising Center each quarter for assistance with completing your First-Year Academic Plan.

RECOMMENDED GOALS FOR YOUR FIRST YEAR

- Satisfy the Entry Level Writing Requirement.
- Satisfy the American History and Institutions Requirement.
- Complete courses toward General Education.
- Complete a lower-division English course (see your College English Composition Requirement).
- Take classes to satisfy the foreign language requirement (only if earning a Bachelor of Arts degree).
- Take preparatory classes towards your current or intended major.
- Explore a new area of interest, first-year seminar, something fun, etc.
- Keep your schedule balanced and take classes you enjoy.
- Plan on completing 45 units per year. You must complete at least 39 units per year to meet minimum progress.
- Visit your intended major department and get connected with major-related listservs or clubs.

What is your intended major?

Notes

FALL QUARTER

Course	Units

Total Fall Units: _____

WINTER QUARTER

Course	Units

Total Winter Units: _____

SPRING QUARTER

Course	Units

Total Spring Units: _____

Minimum Progress: Expected academic progress is 45 units each academic year. Minimum academic progress is 39 units for each academic year. If you expect to earn less than 39 units for the academic year, plan on attending summer session to make up the deficit.

Total Units Expected for the Academic Year: _____

SUMMER SESSION 1
